**When Tomorrow Starts Without Me**

*When tomorrow starts without me and I'm to there to see,  
If the sun should rise and find your eyes all filled with tears for me,*

*I wish so much you wouldn't cry the way you did today,  
While I'm thinking of the many things we didn't get to say.*

*I know how much you love me, as much as I love you,  
But when tomorrow starts without me, please try to understand,  
That an angel came and called my name and took my by the hand*

*And said my place was ready in Heaven far above,  
And that I'd have to leave behind all those I dearly love.*

*But as I turned and walked away, a tear fell from my eye,  
For all my life I'd always thought I didn't want to die.*

*I had so much to live for, I had so much to do,  
It seemed almost impossible that I was leaving you.  
I thought of all the yesterdays, the good ones and the bad,  
I thought of all the love we shared and all the fun we had.*

*If I could relive yesterday, I thought, just for awhile,  
I'd say goodbye and kiss you and maybe see you smile.*

*So when tomorrow starts without me,  
Don't think we're far apart, for every time you think of me...  
I'm right here in your heart.*
