When I Must Leave You

*When I must leave you for a while,
Please do not grieve and shed wild tears
And hug your sorrows to you through the years,
But start out bravely with a gallant smile,
And for my namesake and my name,
Live on and do all things the same
Feed not your loneliness on empty days,
But fill each waking hour in useful ways.
Reach out your hand in comfort and cheer,
And I in turn, will comfort you and hold you near.
And never, never be afraid to die,
For I am waiting for you in the sky.*

Thank you

The Morrison family wish to express their gratitude for your attendance and for the many kind thoughts, words and deeds that have helped them through this difficult time.
