When Tomorrow Starts Without Me

*When tomorrow starts without me and I'm not there to see,
If the sun should rise and find your eyes all filled with tears for me,
I wish so much you wouldn't cry the way you did today,
While I'm thinking of the many things we didn't get to say.
I know how much you love me, as much as I love you,
But when tomorrow starts without me, please try to understand,
That an angel came and called my name and took me by the hand
And said my place was ready in Heaven far above,
And that I'd have to leave behind all those I dearly love.*

*But as I turned and walked away, a tear fell from my eye,
For all my life I'd always thought I didn't want to die.
I had so much to live for, I had so much to do,
It seemed almost impossible that I was leaving you.
I thought of all the yesterdays, the good ones and the bad,
I thought of all the love we shared and all the fun we had.
If I could relive yesterday, I thought, just for awhile,
I'd say goodbye and kiss you and maybe see you smile.*

*So when tomorrow starts without me,
Don't think we're far apart, for every time you think of me...
I'm right here in your heart*
