Arms Of Angels

You rest in the arms of angels

In a place of peace and love

Watching over me always

From heaven up above

You guide me through my worries

And help me through each day

Always by my side

You never went away

The bond cannot be broken

Made from love so pure

Death does not break the bond

It lives on for ever more

You rest in the arms of angels

Free from illness and pain

Waiting for the day

We are together once again
